RE: Important Announcement – Cox Automotive Canada & Brazil

Dear Valued Customer & Partner,

I wanted to personally contact you to advise on an announcement made today internally regarding Cox Automotive Canada.

We have decided to transition the full Cox Automotive Canadian business back into our North American operations. As a result of this, I will be stepping down from my role as President, for Cox Automotive Canada & Brazil at the end of October and have elected to leave the company.

I would like to thank you for your continued loyalty. We are simplifying our structure to become more agile and to make it even easier for you to do business with us.

We have long been closely aligned with North America, especially due to our geography, and following this transition, you will soon be able to leverage the benefits of common platforms, products and solutions – helping you to continue to grow.

It has been a pleasure working alongside you and getting to know you, both professionally and personally. I will remain in the organization until the end of October, and I am more than happy to answer any questions you may have, or simply have a conversation about the benefits of this transition.

As always, I wish you every success with your business and all the best for the future.

Yours truly,

Maria Soklis
President, Cox Automotive Canada & Brazil
